Pittsburgh Social Exchange & Empire Investigations LLC Host 5th Annual Golf Outing to Benefit The Ward Home

Diamond Run Golf Club, Sewickley, PA — Annual Fundraiser Supports At-Risk Teens in Southwestern Pennsylvania

PITTSBURGH, PA

The Pittsburgh Social Exchange, Pittsburgh's premier professional networking organization led by founder Ethan Nicholas, has partnered with Empire Investigations LLC CEO Robert Kresson for the fifth consecutive year to host one of the most anticipated annual charity golf outings in western Pennsylvania. The event was held at the beautiful Diamond Run Golf Club in Sewickley, PA — one of the region's most acclaimed courses.

The annual outing brings together like-minded business leaders for a day of professional development, networking, and community investment. In addition to enjoying Diamond Run's challenging greens, golfers competed for 50+ prizes, the chance to win a new car for a hole-in-one, and the opportunity to take home \$1 million in cash — the Hole-in-One challenge sponsored by Empire Investigations LLC for the fifth year running.

Proceeds from this year's event were donated to **The Ward Home** — the premier provider of independent living services for at-risk teens and young adults in southwestern Pennsylvania. The Ward Home prepares foster teens for independent adulthood through education support, job-readiness training, health and wellness programming, and academic enrichment designed to keep young people connected and self-sufficient.

“The Pittsburgh Social Exchange's goal is to bring together like-minded business leaders for the purposes of networking within a socially responsible environment for professional development and viable community outreach.”
