Empire Investigations LLC & VIP Sponsors Unite Pittsburgh Business Groups to Create First-Ever Mega Mixer

800+ Attendees at Hilton Garden Inn Southpointe — "Executives and Energy" Themed Networking Event

PITTSBURGH, PA — MARCH 18, 2015

On March 18th, 2015, The Pittsburgh Social Exchange — with the support of VIP sponsors Empire Investigations LLC, National Brokerage, and Eyetique — created a Mega Mixer unlike any other in the area. Over 800 fellow business owners and like-minded professionals attended the event at The Hilton Garden Inn Southpointe in Canonsburg, PA, representing members of six powerhouse chambers: the Washington County Chamber of Commerce, Southpointe CEO Association, Peters Township Chamber of Commerce, The Power of Southpointe, and YPWE.

The themed event, titled "**Executives and Energy**," was the product of a collaboration between Pittsburgh Social Exchange CEO Ethan Nicholas, Empire Investigations CEO Robert Kresson, Eyetique's Brad Childs, and National Brokerage's Mark Martin. Together, they united some of the region's most prominent networking and business communities under one roof for the first time.

"Our Pittsburgh networking events are diverse and are hosted at ever-changing locations in unique areas of our beautiful city."

The Pittsburgh Social Exchange has been widely recognized as the premier networking group of the city, consistently bringing together business leaders, entrepreneurs, and community figures in dynamic and impactful settings. The inaugural Mega Mixer set a new benchmark for scale and collaboration in Pittsburgh's professional networking landscape.
