Empire Investigations LLC & Pittsburgh Social Exchange Unite Southwestern PA Chambers at Annual Mega Mixer

800+ Business Leaders Gather at 2nd Annual Great Gathering — Proceeds Benefit Washington County City Mission

PITTSBURGH, PA — MARCH 16, 2016

On Wednesday, March 16th, 2016, Empire Investigations LLC teamed up with The Pittsburgh Social Exchange, Washington County Chamber of Commerce, Peters Township Chamber of Commerce, The Power of Southpointe, and Southwest Communities Chamber for the 2nd Annual "Great Gathering at Southpointe Mega Mixer" — held at the Hilton Garden Inn in Canonsburg, PA.

More than 800 business owners and partners from counties across southwestern Pennsylvania gathered to collaborate, share new opportunities, and make a tangible difference in their community. Pittsburgh Social Exchange CEO Ethan Nicholas and his staff worked diligently to unite these powerhouse business communities under one roof for a night of meaningful connection.

Proceeds from the Mega Mixer benefited the **Washington County City Mission**, which has been bringing "Hope to the Homeless" for more than 70 years — providing shelter, healing, and a path to independent living without discrimination. In the prior year alone, the Mission served approximately 111,764 meals and provided more than 38,000 nights of shelter for those in need across southwestern Pennsylvania.

Empire Investigations LLC CEO Robert Kresson served as VIP sponsor, consistent with his philosophy of community investment through "random acts of kindness." Kresson and his team have earned international recognition, with media features in USA Today, the Pittsburgh Post-Gazette, Good Morning America, the Jenny Jones talk show, and the Saudi Gazette.
